# "KEEP CALM AND SHOW YOUR WORK!"

Directions: Plot the ordered pair of numbers on a graph in the order they are listed connecting them with line segments as you plot them. Start a new line after the word "STOP".

|              |              |              |              |              |              |
|--------------|--------------|--------------|--------------|--------------|--------------|
| (8.5, 28)    | (22.5, 26.5) | (29.5, 26)   | (1.5, 18)    | (13, 1)      | (27.5, 3.5)  |
