## 7th Grade Math

brandi.sagona@walton.k12.fl.us • [www.mrssagona.com](http://www.mrssagona.com)

Remind Code: @bsagona

### Course Description

7th grade Math will cover:

Ch 1: Exponents and Rational Numbers, Ch 2: Operations w/ Rational Numbers, Ch 3: Expressions, Equations, and Inequalities, Ch 4: Ratios & Proportions, Ch 5: Percents, Ch 6: Probability and Data Displays, Ch 7: Statistics, Ch 8: Area, Surface Area, and Volume

We use the Big Ideas consumable textbook and the online app through ClassLink.

### Supplies & Materials

- Sharpened pencil & eraser
- Folder
- Lined Paper

Organization is huge for me. I want to teach students this important life skill. We have Notebook Checks every couple weeks that are graded and show that students are taking notes, etc. and are staying organized. If you want a binder instead, feel free!

### Grading

Homework 10%  
Classwork 20%  
Quizzes 30%  
Test 40%

Homework will be assigned Monday-Thursday and due the next day. It is graded on accuracy & completion. Students receive 2 HW passes each 9 weeks. Students wanting to complete test corrections will need to fill out the Request to Retest form and get a parent signature. I do not accept late homework.

### Absent?

The student is responsible for finding and completing absent work. Do not ask the teacher, "what did I miss?"

- Look on the website for agenda and digital copy of work OR
- Look in the Absent? folders in the classroom

For every day the student is absent, they get one day to complete the work.

### My Website

[www.mrssagona.com](http://www.mrssagona.com)

Bookmark it please!

Assignments can be found on the Calendar tab. Anything that is a gold color is a link to the assignment.

If your student tries to tell you there was no homework, check the Calendar tab to double check. There are many other resources on the website as well!

I upload all notes we take and homework assignments daily. If you lost the HW or were absent, you can always look at the HW from the website and write your answers on a sheet of paper. There should be no excuse to not have your homework completed.

### Technology and Wifi at Home

There will be assignments that are required to be done online and outside the classroom. Please check which devices you have available at home. If you do not have a device or wifi at home, no worries, we will make arrangements.

Yes, I have Wifi at home and access to a device (computer, iPad or smartphone).

Yes, I have Wifi at home but NO access to a device (computer, iPad or smartphone).

I do not have Wifi OR a device at home. I need to check one out.
